(2) by agreement or resolution, to depute any person to exercise such of the powers and perform such of the duties as the Fat Stock Association is empowered to exercise or perform in relation to any kind or class of fat stock as may be specified in such agreement or resolution, subject to such conditions, exceptions or qualifications as may be specified in such agreement or resolution; and from the date specified in such agreement or resolution the person deputed by such agreement or resolution may exercise such powers and perform such duties, subject as aforesaid; but

¹ [EDITORIAL NOTE: see section 7 for retrospective effect.]

(3) by agreement, to contract with any person to exercise such of the powers and perform such of the duties as the Fat Stock Association is empowered to exercise or perform in relation to any kind or class of fat stock as may be specified in such agreement, subject to such conditions, exceptions or qualifications as may be specified in such agreement.\(^2\)

3 Determination of price, etc, of fat stock

(1) In addition to the powers vested in the Department by the Agricultural Marketing (No. 2) Act, 1948, the Department may at any time, and from time to time, by Order, declare or determine that the prices, terms or conditions at or upon which any kind or class of fat stock shall be sold in the Isle of Man shall be the same as the published prices, terms or conditions at or upon which that kind or class of fat stock is, from time to time, offered for sale to the Fatstock Marketing Corporation, Limited, in England and Wales or in such region or area in England and Wales as may be specified in such Order.\(^3\)

(2) Every Order under subsection (1) of this section shall be laid before Tynwald at the first available sitting after it is made, and, unless Tynwald by resolution confirm the same at that sitting or at the next succeeding sitting, it shall cease to have effect as and from the day following the date of the next succeeding sitting, but without prejudice to the validity of anything previously done thereunder or to the making of a new Order.\(^4\)

(3) Any document purporting to contain the published prices, terms or conditions at or upon which any kind or class of fat stock is, or was, during the period specified in such document, offered for sale to the Fatstock Marketing Corporation, Limited, in England and Wales or in any region or area of England and Wales which may be specified in such document, and certified by a person authorised to certify the same by the Fat Stock Association, shall be sufficient evidence in any legal proceedings that the contents of such document are correct and that the person certifying such document is authorised to certify the same; and no proof shall be required of the handwriting of the person certifying the same.\(^5\)
