- (1) Subject to subsections (2) and (3), the execution court may, if, on an application made in accordance with Rules of Court –
 - (a) by an execution creditor, or by a Coroner with the consent of the execution creditor, it appears to it that an execution debtor against whom –

- (2) An attachment of earnings order shall not be made if it appears to the execution court that the debt is due to the execution debtor's employer or, where the employer is a company, to any other company which is a holding company or a subsidiary of the company which is the execution debtor's employer.
- (3) Except with the consent of the execution debtor, an attachment of earnings order may be made if, and only if, the execution court is satisfied that the execution debtor –
 - (a) has, without just cause, refused or failed to comply with an instalment order made under Rules of Court made pursuant to section 27 or, as the case may be, with a maintenance order; and
 - (b) in the case of refusal or failure to comply with such an instalment order, has or will have the means, (after due allowance has been made for all his reasonable subsisting personal and family

- (3) Where an execution debtor in respect of whom an attachment of earnings order has been made has ceased to be employed by the employer to whom the order is directed, but is again employed, whether by the same or a different employer, the execution debtor and, where the employer is the same employer, the employer shall each forthwith inform the execution court that the execution debtor has become so employed.
- (4) Where it appears to the execution court that an execution debtor in respect of whom an attachment order has been suspended pursuant to subsection (2), is again a person to whom earnings fall to be paid, the execution court may revive the order and redirect it to the person by whom the executor debtor is presently employed, and, in the event, the order so revived shall have effect as if it were an order made by the execution court under section 28(1).
- (5) The power of the execution court under subsection (4) may be exercised by such officer of that court as may be prescribed by Rules of Court.

30 Other powers of court to make attachment of earnings orders

[NI/1969/30/75]

32 Statement of earnings

[NI/1969/30/77]

34 Rules of Court in relation to the attachments of earnings

Rules of Court may make provisions generally for giving effect to the provisions of this Part relating to the attachment of earnings and, in particular and without prejudice to the generality of the foregoing, may provide for the variation of attachment of earnings orders and may prescribe —

- “**execution court**” means the court which has made an execution order.
- (2) This Part shall apply to persons employed by or under the Government in like manner as if the employer were a private person, but with such modifications or adaptations, or both, as the Treasury may by order prescribe, but no such order shall have effect until it has been approved by Tynwald.¹⁸
- (3) In subsection (2), “the Government” includes a Board of Tynwald and a Statutory Board.

[NI/1969/30/32 and 33]

1. Without prejudice to the rights of a Coroner to arrest debts owing to the execution debtor by third parties and without prejudice to the rights of such third parties, a Coroner may, subject to the provisions of Part II, and of this Schedule and to any order of the High Court, arrest, in the enforcement of an execution order, any of the following property, namely —

- (b) [Repealed]²¹
- (c) goods in which the execution debtor has a saleable interest in his own right;

for the general use or enjoyment of the execution debtor, his spouse or civil partner and his dependants residing with him;²²
- (e) any ship owned by, and any share in which is owned by, the execution debtor;²³
- (f) any other property of the execution debtor other than land.²⁴

[NI/1969/30/34]

2. The following property shall not be liable to be arrested under paragraph 1, namely —

- (a) such wearing apparel, furniture, bedding and household equipment of the execution debtor and his spouse as appear to a Coroner to be essential for the domestic purposes of the execution debtor, his spouse and his dependants residing with him, or any of them;
- (b) the tools and implements of the execution debtor's trade to the value of £100, or of such greater amount as may be prescribed;

3. Save as is otherwise provided by enforcement rules, the apparent value of the property of the execution debtor which may be arrested by a Coroner under paragraph 1 shall not exceed twice the amount recoverable under the judgment, but, where the execution debtor resides on premises of which he is a tenant and the execution order does not relate to rent due by him as such tenant, there shall be exempted from such arrest, in addition to the property specified in paragraph 2(a) to (d), such other property of the execution debtor as will, when taken together with the apparent value of the other assets of the execution debtor (other than the property mentioned in paragraph 2(a) to (d)), amount in apparent value to not less than the amount required to pay that rent for one year.

4. Unless the manner of arresting property under paragraph 1 shall be otherwise prescribed, the Coroner shall arrest property under that paragraph by clearly indicating the property which he intends to arrest and claiming contemporaneously aloud to have arrested that property. The Coroner must then prepare an inventory of all the said property which he has so arrested. A copy of the said inventory shall be delivered to the execution debtor if he so requests.

[NI/1969/30/36]

(2) An arrest under paragraph 1 shall not prejudice the title to goods acquired by any person in good faith and for valuable consideration, unless that person had, at the time when he acquired the title, notice that the arrest had been made.

[NI/1969/30/38]

7. So long as any property which has been arrested pursuant to paragraph 1 is under arrest, any premises occupied or used by the execution debtor or his spouse or any of his dependants may, at any reasonable time, be entered by a Coroner or a

lockman (by force if authorised in writing by the Judgments Officer), for the purpose of removing to a place of safety or, subject to the provisions of this Schedule and of enforcement rules, for sale any of such property, or of ascertaining whether or not any of such property has been interfered with.

8. Save as is otherwise provided by enforcement rules, any property which has been arrested pursuant to paragraph 1, and not sold or otherwise disposed of pursuant to this Schedule, shall be released from arrest as soon as the amount recoverable under the judgment consequent on which arrest was made has been satisfied.²⁵

9. (1) Save as may otherwise be ordered by the execution court, any property arrested pursuant to paragraph 1 shall, unless sooner released from arrest pursuant to paragraph 8, be kept under arrest for such period as may be prescribed and shall then —

(3) An order under sub-paragraph (2) shall, in favour of any registrar or other person dealing with the Coroner or a person deriving title under him, be conclusive evidence of the power of the Coroner to dispose of the property concerned in accordance with the terms of the order.²⁹

[NI/1969/30/41]

10. A purchaser of any property arrested and sold under this Schedule shall receive a good title to the property.

SCHEDULE 2

[Section 13(1)(b)]

ARREST AND SALE OF LAND

1. A Coroner may, subject to the provisions of Part II and of this Schedule and to any order of the High Court, arrest, in the enforcement of an execution order, any land in which the execution debtor has a saleable interest.
2. Unless the manner of arresting land under paragraph 1 shall be otherwise prescribed, the Coroner shall arrest land under that paragraph by entering upon the land which he intends to arrest and affixing a notice to a conspicuous part of the land or premises forming part of the land stating that the land has been arrested by the Coroner and giving his name and address. Except when enforcing orders for possession or the recovery of deserted premises, a Coroner shall not forcibly enter premises which are closed against him without having leave from a Deemster. After arresting land the Coroner must then prepare an inventory of all land which he has so arrested. A copy of the said inventory shall be delivered to the execution debtor if he so requests.
3. An arrest under paragraph 1 shall have the effect of charging the execution debtor's estate and interest in the land concerned with the amount recoverable under the judgment in favour of the execution creditor for whose benefit the execution order was made.
4. Save as is otherwise provided by enforcement rules, any land which has been arrested pursuant to paragraph 1 and not sold pursuant to this Schedule shall be released from arrest as soon as the amount recoverable under the judgment consequent on which the arrest was made has been satisfied.
5. Save as may otherwise be ordered by the execution court, or by the High Court under the *Real Property Act 1869*, any land arrested pursuant to paragraph 1 shall, unless sooner released from arrest pursuant to paragraph 4, be kept under arrest for such period as may be prescribed and shall then be advertised for sale, and sold, by public auction by, or under the direction of, a Coroner in accordance with enforcement rules.³³
6. Subject to paragraph 12, a Coroner may, pending the completion of any sale pursuant to this Schedule, temporarily insure against loss or damage by fire any building or any effects or property of an insurable nature, whether affixed to the freehold or not, being or forming part of the land concerned, and the premium paid for any such insurance shall form part of the disbursements incidental to the sale.
7. (1) Subject to sub-paragraph (2), a Coroner, in selling any land pursuant to this Schedule, may convey the land by deed, for such estate and interest therein as is vested in the execution debtor, subject to all encumbrances, estates, interests and rights which have priority over the encumbrance the subject of the execution or, where there

is no such encumbrance, over the charge effected by virtue of paragraph 3, but otherwise freed from all encumbrances, estates, interests and rights, including the encumbrance (if any) the subject of the execution and the charge effected by virtue of paragraph 3.³⁴

(1A) Subject to sub-paragraph (2), a Coroner, in selling any registered land pursuant to this Schedule, may transfer the land, subject to all burdens which have priority over the charge the subject of the execution or, where there is no such charge, over the charge effected by virtue of paragraph 3, but otherwise freed from all burdens, including the charge the subject of the execution and the charge effected by virtue of paragraph 3.³⁵

(1B) Expressions in sub-paragraph (1A) have the same meaning as in the *Land Registration Act 1982*.³⁶

(2) Nothing in sub-paragraph (1) or (1A) shall require a Coroner, in any deed or transfer, to enter into any covenant for title.³⁷

8. Where a sale is made in purported exercise of the power of sale conferred by this Schedule, the title of the purchaser shall not be impeachable on the ground that the power was improperly or irregularly exercised; but without prejudice to any rights which any person damnified by an improper or irregular exercise of the power may have.

9. Any money received by a Coroner arising from any sale pursuant to this Schedule shall, subject to paragraph 6, be held by a Coroner in trust to be applied by him in the following order of priority, namely —

First, in payment of —

- (a) the fees prescribed under section 5 of the *Coroners Act 1983* and due in respect of the execution;
- (b) any disbursements made by the Coroner in respect of the execution;
- (c) any costs, charges and expenses properly incurred by the Coroner as incidental to the sale;
- (d) the costs awarded by the execution order;

Secondly —

- (a) where the sale is in pursuance of the enforcement of an execution in respect of an encumbrance, in or towards the discharge of the principal, interest, costs and other money (if any) due or payable in respect of the encumbrance in respect of which the execution was granted;
- (b) where the sale is in pursuance of the enforcement of any other execution order, in or towards the satisfaction of the amount recoverable under the judgment;

Thirdly, in or towards the discharge of any subsequent encumbrances in order of priority;

Fourthly, in accordance with section 21(3).³⁸

10. The power of sale conferred by this Schedule shall not affect —
- (a) the right of a Coroner to enforce the execution order, pursuant to Part II, against any other property of the execution debtor or of any debt due to him, but a Coroner shall, where there is a security in favour of the execution creditor, first exhaust that security before enforcing the execution order against that other property or debt; or
 - (b) the general jurisdiction of the High Court to enforce the payment of encumbrances.
11. For the purposes of the *Partition Act 1931* a Coroner, who has lawfully come into possession of an undivided share of land in pursuance of his functions, shall be deemed to be the owner of such share.
12. (1) The amount of an insurance effected by a Coroner against loss or damage by fire in pursuance of paragraph 6 shall not exceed the amount that would be required in case of total destruction to restore the property insured.³⁹
- (2) All money received on any insurance mentioned in sub-paragraph (1) shall be applied —
- (a) in or towards the discharge of any encumbrances ranking in priority to the encumbrance in respect of which the execution has been granted or, where there is no such encumbrance, to the charge effected by virtue of paragraph 3; and⁴⁰
 - (b) subject to subparagraph (a), as if the money was received by a Coroner as money arising from a sale under this Schedule.
13. In this Schedule, “**encumbrance**” means a deed of bond and security, mortgage, charge, lien, debenture, debenture stock, debenture trust deed or sum of money charged or secured on, or payable out of, land or the rents or income thereof.
