AN ACT to implement an international Convention on the settlement of investment disputes between States and nationals of other States.

1 Registration of Convention awards

[P1966/41/1; Cmnd3255]

(1) This section has effect as respects awards rendered pursuant to the Convention on the settlement of investment disputes between States and nationals of other States which was opened for signature in Washington on 18th March 1965 (in this Act called “the Convention”).

(2) A person seeking recognition or enforcement of such an award shall be entitled to have the award registered in the High Court subject to proof of the prescribed matters and to the other provisions of this Act.

(3) [Repealed]¹

(4) In addition to the pecuniary obligations imposed by the award, the award shall be registered for the reasonable costs of and incidental to registration.

(5) If at the date of the application for registration the pecuniary obligations imposed by the award have been partly satisfied, the award shall be registered only in respect of the balance, and accordingly if those obligations have then been wholly satisfied, the award shall not be registered.

(6) Rules of court may —

(a) prescribe the procedure for applying for registration under this section, and require an applicant to give prior notice of his intention to other parties,
(b) prescribe the matters to be proved on the application and the manner of proof, and in particular require the applicant to furnish a copy of the award certified pursuant to the Convention, and
(c) provide for the service of notice of registration of the award by the applicant on other parties.

(7) For the purposes of this section and section 2, an award shall be deemed to have been rendered pursuant to the Convention on the date on which certified copies of the award were pursuant to the Convention dispatched to the parties.

(8) This section and section 2 shall bind the Crown (but not so as to make an award enforceable against the Crown in a manner in which a judgment would not be enforceable against the Crown).

2 Effect of registration

Subject to the provisions of this Act, an award registered under section 1 shall, as respects the pecuniary obligations which it imposes, be of the same force and effect for the purposes of execution as if it had been a judgment of the High Court given when the award was rendered pursuant to the Convention and entered on the date of registration under this Act, and, so far as relates to such pecuniary obligations —

(a) proceedings may be taken on the award,
(b) the sum for which the award is registered shall carry interest, and
(c) the High Court shall have the same control over the execution of the award,

as if the award had been such a judgment of the High Court.

(2) Rules of court may contain provisions requiring the court on proof of the prescribed matters to stay execution of any award registered under this Act so as to take account of cases where enforcement of the award has been stayed (whether provisionally or otherwise) pursuant to the Convention, and may provide for the provisional stay of execution of the award where an application is made pursuant to the Convention which, if granted, might result in a stay of enforcement of the award.

Procedural provisions

3 Application of Arbitration Act 1976

(1) The Clerk of the Rolls may by order direct that any of the provisions contained in section 13 of the Arbitration Act 1976 (attendance of witnesses, production of documents, etc.) shall apply to such proceedings pursuant to the Convention as are specified in the order, with or without any modifications or exceptions specified in the order.
(2) Subject to subsection (1), the *Arbitration Act 1976* shall not apply to proceedings pursuant to the Convention, but this subsection shall not be taken as affecting section 4 of the said Act (stay of proceedings).

**Immunities and privileges**

4 **Status, immunities and privileges conferred by the Convention**

[P1966/41/4]

(2) Nothing in article 24(1) of the Convention as given the force of law by this section shall be construed as —

(a) entitling the Centre to import goods free of customs duty without any restriction on their subsequent sale in the country to which they were imported, or

(b) conferring on the Centre any exemption from duties or taxes which form part of the price of goods sold, or

(c) conferring on the Centre any exemption from duties or taxes which are no more than charges for services rendered.

(3) For the purposes of articles 20 and 21(a) of the Convention as given the force of law by this section, a statement to the effect that the Centre has waived an immunity in the circumstances specified in the statement, being a statement certified by the Secretary-General of the Centre (or by the person acting as Secretary-General), shall be conclusive evidence.

**Supplemental**
